The need for a big building at a monthly rent of Rs 120 from now is not evident. It is only when the abstraction & Compilation work begins that a big building will be req. for locating the large Estt that will be employed on such work. In the meantime the accommodation req. is only for the Supt & this office Staff. It is not clear if 2 or 3 rooms Cannot be spared for the Census Office in the building used by the Rev Commr or if other accommodation not involving less monthly Cost than that proposed Cannot be found.
